

Prayer of Release from Generational Iniquities

Thank you, Yehovah, my ABBA, for my salvation. Thank you Yeshua (Jesus of Nazareth) for being my Saviour and my Redeemer and for giving me eternal life. I come to you this day because I now understand that generational iniquities have plagued my life.

Abba, I honor my father and mother. I am grateful they gave me life and I honor them because they are my parents, but I reject and renounce the sins and iniquities each passed on to me. I acknowledge there have been righteous and unrighteous family members in my generations who have left marks on the family line and these imprints have influenced my spirit, my soul and my mind. I utterly reject the ungodly imprints of my family culture. I reject what comes against Your mandates and counsel and I embrace what aligns with you.

I forgive my forefathers and I confess, renounce, and repent from every sin, vow, oath and curse that was pronounced upon my family and me by my forefathers. I also confess and repent from those sins, vows, oaths and curses I caused myself. *(be specific to the iniquities you see in your family and sins you have participated in)* I call each ungodly vow, oath, covenant that my ancestors entered into broken, null and void! In the mighty name of Yeshua HaMachiach (Jesus of Nazareth the Messiah), my Saviour, I break each curse my forefathers passed on to me both from my father and mother side all the way back to Adam and Eve. I tear up their legal right now! *(picture yourself tearing up legal right document)*

In the authority of Yeshua (Jesus of Nazareth) and through the power of Yehovah's (the Father's) Holy Spirit, I sever and break each curse that I have acknowledged and cancel its effects from my life, from my family and from my future generations to 1000 generations. I break each curse and its bondage. I call each of them null and void. I cancel the affects of the curses and call for blessings instead. I am set free from the recurrence of the law of sin and death and enter fully into righteousness by the blood of Yeshua and begin life in covenant with Yehovah blessing my generations.

I ask You, Abba, to cleanse me from the iniquities and sins my forefathers and I committed because of choosing self-gratification behavior over our calling. Cleanse my life's timeline from the adverse affects of these iniquities. I choose to be obedient to You and to fulfill the plan You have for my life. I choose to walk in my purpose and destiny.

Father, You make all things beautiful in Your time. Wash me and I will be cleansed. Cleanse me from unrighteousness. I will walk according to Your Word and declare the freedom I now have from the adverse effects of my forefathers' iniquities. So, I now speak blessings into those areas of my life that are suspect. I ask you, Abba, to bring forth the blessings You intended for me to have this day. I am free, for whom Yeshua has set free is free indeed. I seal this prayer in every realm, age, timeline, and dimension, past, present, and future to infinity. Thank you, Abba, for the cleansing and for Your mercies being renewed every morning.
