

## **Thoughts, Attitudes, Words and Actions Prayer (TAWA)**

(Instructions: Insert the 7 sins listed in Proverbs 6:16-19 **and/or** any sins or iniquities identified in your generations and in your own life.)

ABBA, Father, I thank You for my Salvation. Yeshua (Jesus of Nazareth), I believe You are the only begotten Son of the Most High God and I thank You for being my Redeemer and my Savior.

Father, I ask You to Shine Your light down the timeline and bloodline of my generations. Shine down on the timeline of my life and all the years I have lived. I ask You to identify and expose every moment, each time when any THOUGHTS, ATTITUDES, WORDS or ACTIONS from my ancestors or me brought us into Agreement with a spirit(s) of     (name sins)    (example: guilt, shame, bitterness, etc).

Father, Yehovah, I ask for the precious shed Blood of Yeshua HaMachiach (Jesus of Nazareth) to be applied to each of these moments; to each of these incidents in my life and in my generations. I truly forgive those who have wronged me and who have sabotaged my life. I repent, and I renounce these sins and I ask Your forgiveness. I ask You to cleanse me completely. With Yeshua's precious blood, cleanse my DNA from these sins and iniquities of     (rename    spirits/sins.     Change my DNA to conform to how You designed me.

Father, I ask that the ungodly cycle established in my generational timeline be stopped now. In Yeshua's name, please sever now every link to these incidents and I ask that You bring the cleansing forward to my seed. I ask You Father to cancel these assignments from the enemy, Satan, and his hordes in his evil kingdom.

I now ask You to cut from me and to separate from me the covenants, vows, oaths, agreements and association made with     (rename spirits/sins)     in my generations. Help me to change my mindset in these areas in order to remain free. I declare these covenants and vows null and void in me and my seed.

Please put a new and right spirit in the areas that have been vacated. Help me to restructure my mindset to agree with You. I ask again that you would bring this cleansing forward to my seed and future generations. I pray all this in the mighty name and authority of Yeshua HaMashiach in whose authority I walk, and I seal this prayer in every realm, age, timeline, and dimension, past, present, and future to infinity. Thank You, ABBA.
